The California • Nevada District Trophies and Awards Program

Program Objectives

The District Trophies and Awards program complements The National Exchange Club Awards program and provides a basis for recognition of activities unique to the California•Nevada District Exchange Clubs. Through participation, this program encourages all Exchange Club Members and their clubs to develop to the maximum extent possible their personal and unified efforts to make the precepts of Exchange a reality.

Eligibility

All clubs in the California•Nevada District Exchange Clubs in good standing as outlined in the bylaws are eligible to receive awards. Awards are based on activities during an abbreviated **Exchange Administrative Year** that begins July 1st and ends the last day of the month prior to the Annual District Convention, usually May 31st.

Awards

District Service Awards banners, patches, and plaques are presented by the District Trophies and Awards Committee at the Annual District Convention. District patches should only be displayed on a club's gold colored District Service Awards Banner. The initial District Service Awards Banner is presented to a club; however, once this banner is completely filled with patches, a club purchases each succeeding banner from the District Trophies and Awards Committee. The National Exchange Club Service Award Patches should be displayed only on a blue colored National Exchange Club Service Awards Banner.

Documentation

This booklet describes the submission of the qualifying activities documentation to the District Trophies and Awards Committee.

Qualifying clubs complete the appropriate award forms provided in this booklet and **submit them by May 15th**.

The Activities Summary Report is divided into the following five areas:

Community Service	Americanism
Service to Youth	Child Abuse Prevention
Special Club Activities	

The Special Club Awards include: Top Gun Achievement - Most Net Membership Increase, Net Membership Increase, Membership Blitz, New Club Building, New Excel Club Sponsor, Best Club Bulletin, Best Club Project Exhibit, Most Unique Club Project Exhibit, Freedom Shrine Dedication, Search for Talent Participation, Outstanding Public Relations Program, and Child Abuse Prevention Financial Contributions. The documentation necessary for these awards is prescribed in the award descriptions later in this booklet.

The Club Presidents and Secretaries are provided the mailing addresses in the letter at the beginning of this booklet and in the District Directory for submission of the necessary forms.

Following the Annual District Convention, the Trophies and Awards Committee Chair provides a list of the clubs and individuals receiving awards to the District Secretary and the District Bulletin Editor for inclusion in the Annual District Convention minutes and the District Bulletin, respectively.

Successful efforts are shared with and used by other clubs.

Top Gun Award - Most Net Membership Increase

The Club with the greatest net membership increase during the abbreviated administrative year is awarded a patch for its District Service Awards Banner. The second and third place clubs are awarded Second and Third Place patches. The District Secretary submits the documentation for this award.

A Club wins the California•Nevada District **Best Club Bulletin Award** for clubs with less than 50 members, and for clubs with 50 or more members by satisfying the judges that their bulletin is the District's best. To be eligible, a club publishes a bulletin at least monthly, and should include the District President, the District Bulletin Editor and the Trophies and Awards Best Club Bulletin Award Chair in the mailing list. The club must submit one copy of three different club bulletins published between April 1st and the following February 28th to the Best Club Bulletin Award Chair by May 15th. Electronic Bulletins previously submitted to the Best Club Bulletin Chair will automatically be considered. The second and third place clubs earn 2nd and 3rd Place patches presented at the Annual District Convention.

The bulletins are judged by a panel of five exchange members scoring equally the following criteria:

- Is the content balanced between news of upcoming meeting programs, club events, project progress, recent projects, member news, items of general Exchange interest, personality profiles, and humor?
- Does the bulletin promote participation, attendance, membership, new club building, Exchange education, and significant news on District and National levels of Exchange?
- Does the bulletin display the correct Exchange Club logo, the correct and complete club name, city, state, meeting date, time, and place?
- Is the writing acceptable in sentence structure, punctuation, grammar, and spelling, while being concise, understandable, and accurate?
- Does the overall appearance of the bulletin stimulate readership? Are the masthead and other elements creatively and neatly handled, with occasional artwork, photos, or color? Is the printing of good quality?

*Best
Club
Project
Exhibit*

A Club wins the California•Nevada District **Best Club Project Exhibit Award** or the **Most Unique Club Project Exhibit Award** by satisfying the judges that its exhibit at the Annual District Convention is the District's best. The exhibits should portray the theme adopted by the National President and are judged by a panel of Exchange Members selected by the District Trophies and Awards Committee Chair. To accommodate the limited space available at the Convention hotel, the club's exhibit is attached to no more than three foam core boards that may be placed on an eight-foot rectangular banquet table. If two or three boards are used, they are attached to each other along the longer vertical edges. Other items may be displayed on the table and will be considered by the judges in the competition. The club adopts any format, method, or style to represent the activities and projects conducted during this award year. Creativeness is encouraged. The judges review the displays for clarity, completeness, aesthetics, originality, and uniqueness. Clubs request exhibit space by submitting the completed Convention Exhibit Space Reservation Form included in this booklet to the District Trophies and Awards Committee Chair not later than May 15th. An exhibit or display is freestanding or placed on a table; nothing is nailed, tacked, taped, stapled, or otherwise attached to anything other than the display itself. A Club completes the Freedom Shrine Activities Form in this booklet to document activities for both of these awards.

***Child
Abuse
Prevention
Financial
Contributions
Awards***

A Club earns the California•Nevada District **Cumulative Child Abuse Prevention Award** by financially contributing to Prevention of Child Abuse programs. This award is cumulative from year to year and reflects the total amount a club has contributed to the Prevention of Child Abuse. It includes contributions given to the National Foundation for the Prevention of Child Abuse including dues, to local centers, and to local Prevention of Child Abuse organizations other than Exchange Club Centers. The total also includes donations by individual club members in programs such as raffles, promotions/fundraisers, the Medallion Program, donations of clothing and other property and similar Prevention of Child Abuse Programs. A club documents its contributions on the Child Abuse Prevention Financial Contributions form in this booklet. The District Trophies and Awards Committee compiles Child Abuse Prevention Program activity using the data submitted by the club each year. The District President appoints Committee Chairs to solicit and review nominations for Youth of the Year and Accepting the Challenge of Excellence Awards and select recipients. The Committee Chairs provide nominating instructions and deadlines to the clubs in separate booklets. The awards are presented at the Annual District Convention.

Special Individual Awards

The District President appoints the Chair who selects committee members to review nominations and select the recipients of Special Individual Awards. These include: Lifetime Achievement, Exchange Club Member of the Year, All-American Volunteer of the Year, Youth of the Year, and Accepting the Challenge of Excellence. A separate booklet describes the qualifications and processes for the Youth of the Year and Accepting the Challenge of Excellence Awards. The appropriate District Committee Chair requests nominations by mail for these awards, including a reminder of the qualifications, specific requirements and submission deadline, and a reminder follow-up notice 30 days prior to the deadline.

Lifetime Achievement Award

A superb Exchange Member who has made a long-term contribution to Exchange at the Local, District, or National level is recognized with the California•Nevada District Lifetime Achievement Award. Each local club may nominate one active and one deceased Exchange Club Member each year. A deceased nominee must have been an active Club Member at the time of his or her death. A Club Member may be nominated for this award if he or she is not already a Lifetime Achievement Award recipient and:

- Has been an Exchange Club Member for ten years or more.
- Has demonstrated Dedication and Devotion to Exchange including support of club officers, attendance at meetings, social events, and fund-raisers, and truly exemplifies the ideals expressed in the Exchange Covenant of Service.
- Has participated in Service to the Community including participating in programs of service and the prevention of child abuse.
- Has shown Loyalty to and Support of the Ideals of Exchange at the Club, District, and National level including attendance at conferences, conventions, and inter-club events.
- Has made Significant Contributions by actively serving in numerous leadership capacities in the local Club or District and has been active in new member recruiting.
- You may include awards, special recognition, and creativity, especially in the area of ideas that have helped your club grow, prosper, and stay healthy. Include any noteworthy item that makes this nominee stand out.

A club nominates an Exchange Club Member on the Nomination for Lifetime Achievement Award Form in this booklet. The selection committee considers only this two-page narrative form. Please print neatly or use no smaller than 12 pitch elite type or a 10-point computer font, if typed.

The District President appoints a Selection Committee Chair without a vote. The committee consists of the Committee Chair, two Past District Presidents, two Board Members and two former Award Recipients. A tie vote will be broken by the Committee Chair. Each member evaluates all the nominations at one time according to the instructions from the Committee Chair. The committee selects up to three living and up to three deceased Exchange Club Members to receive the award each year. An appropriate plaque is presented to each award honoree. The award is presented at an appropriate time during the Annual District Convention.

***Exchange Club
Member
of the
Year***

An exemplary Exchange Club Member is recognized for superlative efforts to provide a superior contribution to Exchange, and the local community with the California•Nevada District **Exchange Club Member of the Year Award**. A Club Member in good standing in a California•Nevada District Exchange Club in good standing is nominated for this Award by a local club using the Nomination for Exchange Club Member of the Year Form in this booklet. The award is based on activities from *either* the current administrative year or the immediate past administrative year. The award is based on activities *only* for the year selected, not for both years. The selection committee considers only this two-page narrative form. Please print the narrative neatly or use no smaller than 12 pitch elite type or a 10-point computer font, if typed.

A nominee is evaluated by the Exchange Club Member of the Year Committee in four areas: Exchange participation and activities - 40%, attendance at the previous year's National Convention and this year's Annual District Convention - 5% each, and the narrative - 50%.

- Exchange participation and activities include new club building, new member recruiting, offices held, committees chaired, fundraisers managed, and other major Exchange efforts.
- A two-page narrative might address the questions: is the nominee a volunteer? Does he/she say yes when asked? Does his/her presence enhance meetings, social functions, and other events? Is he/she positive, enthusiastic, loyal, creative, gregarious, in possession of a sense of humor, and a problem solver?

The District President appoints a Selection Committee Chair without a vote. The committee consists of the Committee Chair, two Past District Presidents, two Board Members and two former Award Recipients. Each member evaluates all the nominations at one time according to the instructions from the Committee Chair. The committee selects one Exchange Club Member who is not a previous recipient, each year for the award, and may recognize all award nominees. An appropriate plaque is presented to the Exchange Club Member of the Year Award honoree. A special patch is awarded to the honoree's club for its District Service Awards Banner. The award is presented at an appropriate time during the Annual District Convention. **Should a previous recipient be nominated** and achieve a higher score than this year's honoree, he or she will also be recognized as an Extraordinary Exchange Club Member this year and be presented an engraved plate stating "Extraordinary Exchange Club Member, *year*" to be affixed to his or her previous plaque award. The committee selects the most deserving nominee each year to represent the California•Nevada District Exchange Clubs as a nominee for the National Exchange Club Member of the Year Award the following year. The **Selection Committee Chair**, working with the selected nominee's club, **completes the National Exchange Member of the Year nomination form and submits it to The National Exchange Club for the following year.**

*All-American
Volunteer
of the
Year*

An outstanding Exchange Club Member is recognized for superior efforts to provide a material contribution to Exchange and the local community through Exchange programs with the California•Nevada District **All-American Volunteer of the Year Award**. A club member in good standing in an Exchange Club in the California•Nevada District in good standing, that has not served as a district or national officer during the past five years is nominated for this Award by a local club for an administrative year using the Nomination for All-American Volunteer of the Year Form included. The selection committee considers only this two-page narrative form. Please print the narrative neatly or use no smaller than 12 pitch elite type or a 10-point computer font, if typed.

A nominee must have attended at least 75% of the club meetings and participated in at least 80% of the club projects.

- This award is not associated in any way with the nominee's leadership level.
- A two-page narrative might address the questions: is the nominee a volunteer? Does he/she say yes when asked? Does his/her presence enhance meetings, social functions, and other events? Is he/she positive, enthusiastic, loyal, creative, gregarious, in possession of a sense of humor, and a problem solver?

The District President appoints a Selection Committee Chair without a vote. The committee consists of the Committee Chair, two Past District Presidents, two Board Members and two former Award Recipients. Each member evaluates all the nominations at one time according to the instructions from the Committee Chair. The committee selects one Exchange Club Member who is not a previous recipient, each year for the award, and may recognize all award nominees. An appropriate plaque is presented to the All-American Volunteer of the Year Award honoree. A special patch is awarded to the honoree's club for its District Service Awards Banner. The award is presented at an appropriate time during the Annual District Convention. **Should a previous recipient be nominated** and achieve a higher score than this year's honoree, he or she will also be recognized as an Extraordinary Exchange Club Member this year and be presented an engraved plate stating "Extraordinary All-American Volunteer, *year*" to be affixed to his or her previous plaque award. The selection committee selects the most deserving nominee each year to represent the California•Nevada District Exchange Clubs as a nominee for the National All-American Volunteer of the Year Award the following year. The **Selection Committee Chair**, working with the selected nominee's club, **completes the National All-American Volunteer of the Year nomination form and submits it to The National Exchange Club for the following year.**
